Laurie: I replied to some of yours and/or Kimby's comments (see my edits, comments). I have now lost track of version control and may be looking at earlier version edits. I gave comments to last version or this one to Matt (so Matt, I hope you can keep track of comments). Janet

Matt, here are our comments (mine and Lauries – I think we reconciled any conflicting comments for you).

Tom, the relevant section for your reference is the Tributaries to Queen Creek section, which starts on page 14.
